[Just made it to my hotel from Northern NYS 2 hrs sooner than check in. Today is also my 37th birthday feeling 90 and alone. Hope this journey pans out for me health wise atleast.](#)

I left most my material belongings and place behind in NYS I won't be be headed back there after Jan 7th tho id rather live in a tent with nobody to support me in this journey in Florida anywhere than live near all my family and loved ones but having to live in tyranny, CORRUPTION, and dictatorship that is rampant in my home state!. I need to reconnect with God and take a spiritual journey because I'm mentally drained and in poor health but I gotta try and do what's best for me. Sorry family. I'm just drained and can't take any more need to disconnect from.society after jan 7th. D.C. Protest to #StoptheSteal is my last political/topical battle for a little while. But I am here alone for the most important 1 of them all over the last 4 years!

Talk with me. You are not alone and I am happy to just be a friendly voice. God loves you. That isn't just some BS, He Loves You for who you are because He made you who you are.

Dig deep, find that inner strength. I think you'll find after tomorrow that you ARE NOT ALONE, and that your beliefs are shared by the majority and that you've been gaslit your entire life into accepting things that are perverse and untrue. Tomorrow is your awakening...the best is yet to come!

I was in a Christian based drug rehab in 2015. I've been down, you are not alone.

I would constantly recite the verse in my head, "but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."

So our times of struggle can turn into the times of greatest blessing because we have no where to turn except to God.

The leader of the rehab came out and voiced support for Trump as a candidate in a very straightforward, logical, and matter of fact way... They spoke about their hopes for an upcoming revival and many people returning to God... Well it seems like common sense, TRUTH and JUSTICE have been making a comeback and that the bad guys are desperate! Have hope!

You are not alone my friend. AND you are not alone in your feelings. It's disheartening as fuck to watch this shit go on, get gaslighted by some and mocked by others. Trust me when you get to the rally, you will KNOW we are with you. Hold on my friend. And HBD. There are people at Freedom Plaza now, you should head down there!!!!

My brother had a similar experience and turned to drugs first after his divorce. But now after rehab he's been backpacking through the wilderness of Utah and doing really well, reconnecting with God and his purpose in life. Change is good! I'll keep you in my prayers man.
